

Call for Papers from the Ninth International Conference on Transportation and Logistics

Supply chain resilience and logistics challenges
September 15-17, 2022, Incheon, Republic of Korea

Host Organizing Committee Members:

Professor Qiang MENG, National University of Singapore, Singapore
Assoc. Professor Ryuichi SHIBASAKI, the University of Tokyo, Japan
Assoc. Professor Mingyao QI, Tsinghua University, Shenzhen, China
Professor Seung B. AHN, Incheon National University, Republic of Korea
Professor Gi-Tae YEO, Incheon National University, Republic of Korea
Professor Kwang Sup SHIN, Incheon National University, Republic of Korea
Dr. Hong Seung ROH, The Korea Transport Institute, Republic of Korea
Assoc. Professor, Yunhong MIN, Incheon National University, Republic of Korea
Assist. Professor Sung Ho HUR, Incheon National University, Republic of Korea

Call for Papers

This Call for Papers invites submissions for The Ninth International Conference on Transportation and Logistics (hereafter, T-LOG) on the “Supply chain resilience and logistic challenges”. Under this theme, we will explore various theories and methods related to creation and innovation in infrastructures design, multi-modal transportation synchronization, transportation technology, information technology, and management concerning supply chain resilience and logistic challenges. We also discuss the approaches to collect, process, manage, and use any information efficiently and effectively, thus the results will be able to improve the resilience of the East Asian logistics and transportation industry and value facing the global challenges in transportation and logistics issues.

This conference welcomes submissions of topics covering issues/applications and academic research include, but are not limited to:

- Aviation Logistics
- City Logistics
- Data Analytics on Logistics
- Green Logistics
- Global Logistics and Economics

- Global Value Chain Diversification
- Information Technology for Logistics
- Intermodal Transportation
- International and Cross-border Freight Transportation
- Intelligent Transportation Systems and Urban Mobility
- Logistics System Planning and Design
- Military Logistics
- Rail Transportation
- Regional Coordination and Cooperation in Transport Logistics
- Reverse Logistics
- Resilient Supply Chain and Logistics
- Routing and Scheduling for Physical Distribution
- Shipping Network Analysis
- Supply Chain and Global Value Chain Integration and Coordination
- Terminal Operations and Port Logistics
- Transportation and Trade Facilitation
- Any other topics related to transportation and logistics

Paper Awards

In memory of Dr. Yoshio Takeuchi, the first President of OCDI (The Overseas Coastal Area Development Institute of Japan), conference papers will be evaluated and awarded on the basis of their potential application to a practical field of logistics. The best paper of the conference is awarded as “OCDI Takeuchi Yoshio Award for Logistics Research” and the best paper of the young researcher is awarded as “OCDI Award for Young Researchers”.

Journal Publication

All full papers in reviewed paper track will be subjected to a peer review. The selected papers will be considered for publication in special issues of reputed journals. The organizing committee is targeting the following journals for the special issues of the conference. Other journals will be added in this list.

Asian Journal of Shipping and Logistics

<https://www.journals.elsevier.com/the-asian-journal-of-shipping-and-logistics>

Multimodal Transport

<https://www.journals.elsevier.com/multimodal-transportation>

Submission System

Authors can submit the full paper(s) or extended abstract(s). Abstracts for full papers must be received no later than 28 February 2022. Information on the submission method can be found on the conference website which will be opened soon.

Important Dates (Reviewed paper track)

- February 28, 2022: Abstract submission deadline
- March 15, 2022: Notification of abstract acceptance
- May 15, 2022: Full paper submission deadline
- July 15, 2022: Notification of acceptance
- July 31, 2022: Author early registration deadline
- August 14, 2022: Final paper submission deadline
- September 15-17, 2022: Conference

Important Dates (Presentation track with extended abstract)

- June 30, 2022: Extended abstract submission deadline
- July 15, 2022: Notification of acceptance
- July 31, 2022: Author early registration deadline
- August 14, 2022: Final extended abstract submission deadline
- September 15-17, 2022: Conference

Contact information

For enquiries, please contact tlog2022@gmail.com. Further information can be found on the conference website which will be opened soon.

Sponsorship

This conference is sponsored by Incheon National University, Graduate School of Logistics and BK21 FOUR (Fostering Outstanding Universities for Research) program.

T-LOG International Scientific Committee

Dr. Niniet Indah ARVITRIDA (Sepuluh Nopember Institute of Technology)

Dr. Kim HASSALL (University of Melbourne)

Prof. Dr. Kuancheng HUANG (National Chiao Tung University)

Prof. Dr. Sung Ho HUR (Incheon National University)

Prof. Dr. Chathumi KAVIRATHNA (University of Kelaniya)

Prof. Dr. Tomoya KAWASAKI (The University of Tokyo)

Prof. Dr. Takuma MATSUDA (Takushoku University)

Prof. Dr. Raymond ONG (National University of Singapore)

Prof. Dr. Mingyao QI (Tsinghua University)

Dr. Hong Seung ROH (The Korea Transport Institute)

Prof. Dr. Jittichai RUDJANAKANOKNAD (Chulalongkorn University)

Prof. Dr. Ryuichi SHIBASAKI (The University of Tokyo)

Prof. Togar SIMATUPANG (Bandung Institute of Technology)

Prof. Dr. Zhijia TAN (Dalian Maritime University)

Prof. Dr. Daisuke WATANABE (Tokyo University of Marine Science and Technology)
